A happy childhood, exceptional outcomes

At Broomwood, we believe that happiness lies at the heart of every success. Our pupils learn with passion and aspiration, guided by the values of integrity, empathy, respect, and a strong sense of community. From their first day to their final, they are encouraged to aim high, think deeply, and care widely.

This year, over a hundred pupils left us for senior school, earning almost forty

scholarships across academics, sport, art and drama – achievements that reflected not only their talent, but their determination, curiosity, and kindness.

As they move on to the next stage of their education, we are proud to see them carry the Broomwood spirit with them – confident, grounded, and ready to make a difference in the world.

Our pupils move on to a wide range of senior schools across London and beyond, reflecting the breadth of their interests and ambitions. Whether choosing co-educational or single-sex environments, day or boarding schools, each child finds a destination that suits their individual strengths

and allows them to thrive. This diversity of outcomes reflects our belief that there is no single path to success – only the right path for each child. Through careful guidance and close collaboration with families, we ensure every pupil is fully prepared to take their next step with confidence.
